

PRESS RELEASE

1st April 2022

Today at 2:49 a.m., a speedboat belonging to the Svitzer company operating at Tanger Med port collided with the Kattegat ferry, a ship of the FRS IBERIA shipping company, 1 kilometer from Tanger Med port.

Following the impact, the speedboat capsized and then sank. Two crew members are missing. Immediately after the incident, all port and Royal Navy rescue resources were deployed to the scene of the incident, assisted by a helicopter.

Research in the presence of the authorities is underway to locate the two crew members.
